General Information

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| SKU                      | 231923                                           |
| EAN                      | 8719157003902                                    |
| Brand                    | Noxion                                           |
| Manufacturer Name        | Noxion LED Floodlight Beam 80w 3000K Symmetrical |
| Any Lamp all-in warranty | 6 Years                                          |
| Average Lifetime (h)     | 70000                                            |

Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED Integrated  |
| Wattage                     | 80              |
| Replaces (Watt)             | 70              |
| Voltage (V)                 | 220-240         |
| Dimmable                    | Not Dimmable    |
| Colour Code                 | 830 Warm White  |
| Colour temperature (Kelvin) | 3000 Warm White |
| Colour Rendering (Ra)       | 80-89           |
| Colour of Light             | White           |
| Light colour options        | Single Color    |
| Luminous Flux (Lumen)       | 8000            |
| Luminous Efficacy (lm/W)    | 100             |

|                       |                |
|-----------------------|----------------|
| Beam Angle (degree)   | 100            |
| Power factor          | >0.95          |
| Product Type Category | LED Floodlight |

## Fixture Information

|                        |                               |
|------------------------|-------------------------------|
| Mounting Method        | Surface                       |
| Fixture Connection     | PI [Push-in connector 3-pole] |
| Light Distribution     | Symmetrical                   |
| IP-rating              | IP66                          |
| Impact Protection (IK) | IK08 - 5 joules               |
| Operating Temperature  | -20 to +50                    |
| Colour of the Fixture  | Black                         |
| Housing                | Aluminium                     |
| Colour of material     | Black                         |
| Suitable for Outdoor   | Yes                           |
| Series                 | Beam                          |

## Dimensions

|             |     |
|-------------|-----|
| Length (mm) | 430 |
| Width (mm)  | 331 |
| Height (mm) | 72  |

## Sensor Information

## Why Any-lamp?

|                                                                                                                                                                                                                                                                   |           |
